

Sessional Work within Postgraduate Medical and Dental Education and Training across the Thames Valley

We recruit, train and support junior doctors and dentists

Lay Representatives

These roles are required to:

- Attend, in an observer capacity, events including recruitment, assessments and appeals and provide written reports.
- Raise any concerns regarding processes via the appropriate routes.

Approximately 10 days per year under a contract for services.
Equivalent rate of **£150 per full day**.

The busiest times are June and July. Some travel within the Thames Valley area will be required.

You should possess strong inter-personal, communication and team player skills, as well as the ability to apply knowledge and common sense to make observations and recommendations consistent with evidence.

This could suit a member of a PTA, Trustee for a charity, sports team coach or employment in a role which involves reviewing processes and adhering to guidance or policy.

Successful applicants will receive training and ongoing support.

Lay representatives must not be currently employed in a clinical or healthcare role within a local healthcare provider.
